

New school chaplaincy service

We are actively engaged with an open (ecumenical) chaplaincy based on Christian tradition. The Hindley High School Chaplain welcomes people of all faiths and none, regardless of their background, or status, to live richer, more fulfilled and transforming lives. The vision of the chaplain is 'To be a beacon for hope and transformation in the lives of individuals and communities served by Hindley High School'. The chaplain is guided by values such as respect and understanding of differences, kindness and transformation through challenging all to see a better, fairer world. We celebrate our Christian roots, but understand our work goes beyond the narrow confines of faith for the benefit of all in our borough and the wider world.

John and the extended Church Wigan team are here to support and embed itself into school life.

How to access this service?

If you would like to nominate your child to have a session with the school chaplain, then please email their head of year who will liaise with Mr Taylor to make an appointment. These are available mainly between Tuesday – Thursday 8 am to 3.45 pm with some Mondays also. In the future, we hope to run some small groups, and this service is available for parents to access too.
